

FamilyCare Health Announces Exit from Medicare in Tri-County and Clatsop County

As of July 1, 2018, FamilyCare Health will no longer offer a Medicare plan in the Portland tri-county area and Clatsop County. If you are currently enrolled in the FamilyCare Advantage Rx or FamilyCare Community plans, you will need to make some decisions about how you want to get your Medicare coverage beginning July 1, 2018.

FamilyCare Health is sending letters to impacted members to let them know about the change and their options to get health coverage beginning July 1, 2018. Impacted members have until June 30, 2018 to join a new Medicare plan. Those who do not take action before June 30, 2018 will be covered by Original Medicare starting on July 1, 2018.
